

Article II Activity Types

Part 1 Residential Activity Types

17.10.100 General description of Residential Activities.

Residential Activities include the occupancy of living accommodations on a wholly or primarily nontransient basis; except for transient occupancy of Emergency Shelters; but exclude institutional living arrangements other than those that are defined as Residential Care, Service-Enriched Permanent Housing, Transitional Housing and Emergency Shelter Residential Activities. This classification also includes certain activities accessory to the above, as specified in Section 17.10.040. (Ord. 12138 § 4 (part), 1999: prior planning code § 2250)

17.10.110 Permanent Residential Activities.

Permanent Residential Activities include the occupancy of living accommodations on a weekly or longer basis, with none of the living units under the same ownership or management on the same lot being occupied on a shorter basis; but exclude institutional living arrangements other than state-licensed residential care facilities for six or fewer residents including family foster care homes. However, such residential care facilities shall be subject to the three hundred (300) foot separation requirement in Section 17.102.212B. This classification also includes certain activities accessory to the above, as specified in Section 17.10.040. (Ord. 12138 § 4 (part), 1999: prior planning code § 2260)

17.10.112 Residential Care Residential Activities.

Residential Care Residential Activities include all residential care facilities that require a state license or are state licensed for seven or more residents which provide twenty-four (24) hour primarily nonmedical care and supervision. Occupancy of living accommodations by six or fewer disabled persons, elderly persons, or persons in need of support services for chemical dependency recovery; or a family foster care home; or occupancy of any facilities supervised by or under contract with the State Department of Corrections, are excluded. This classification also includes certain activities accessory to the above, as specified in Section 17.10.040. State licensed residential care facilities for six or fewer residents shall be treated as Permanent Residential Activities except with regard to the three hundred (300) foot separation requirement in Section 17.102.212(B). (Ord. 12138 § 4 (part), 1999)

17.10.114 Service-Enriched Permanent Housing Residential Activities.

Service-Enriched Permanent Housing Residential Activities include permanent housing in which residents are tenants who live independently and have access to various voluntary support services, such as, health, mental health, education and employment/training services. These services may be provided on-site and/or off-site. If support services are also offered on-site and off-site residents, the support services component will be classified and regulated as Community Education and/or Health Care Civic Activities. This classification also includes certain activities accessory to the above, as specified in Section 17.10.040. (Ord. 12138 § 4 (part), 1999)

17.10.116 Transitional Housing Residential Activities.

Transitional Housing Residential Activities include all types of “transitional housing programs” as defined by the state of California, which are designed to assist persons in obtaining skills necessary for independent living in permanent housing and which have all of the following components:

A. Support services programs that include regular individualized case management services and may include alcohol and drug abuse counseling, self-improvement education, employment and training assistance services, and independent living skills development.

B. Use of a living unit by a resident in a structured living environment, which use is conditioned upon compliance with the transitional housing program rules and regulations.

C. A rule or regulation which specifies an occupancy period of not less than thirty (30) days, but not more than twenty-four (24) months.

If support services are also offered on-site to off-site residents, the support services component will be classified and regulated as Community Education and/or Health Care Civic Activities. This classification also includes certain activities accessory to the above, as specified in Section 17.10.040. (Ord. 12138 § 4 (part), 1999)

17.10.118 Emergency Shelter Residential Activities.

Emergency Shelter Residential Activities include the provision of short term housing, partly on a less-than-weekly basis and partly for a longer period, with or without a fee, to individuals who are homeless and who may require special services. This classification also includes certain activities accessory to the above, as specified in Section 17.10.040. (Ord. 12138 § 4 (part), 1999)

17.10.120 Semi-Transient Residential Activities.

Semi-Transient Residential Activities include the occupancy of living accommodations partly on a weekly or longer basis and partly for a shorter time period, but with less than 30 percent of the living units under the same ownership or management on the same lot being occupied on a less-than-weekly basis; but exclude institutional living arrangements involving the provision of a special kind of care or forced residence, such as in nursing homes, orphanages, asylums, and prisons. This classification also includes certain activities accessory to the above, as specified in Section 17.10.040. (Prior planning code § 2261)

17.10.125 Bed and Breakfast Residential Activities.

The provision of lodging services to transient guests on a less-than-weekly basis, other than in the case of activities classified by another Residential Activity (Sections 17.10.100 through 17.10.120) that have each of the following characteristics:

- The activity occupies a One-Family Dwelling Residential Facility, One-Family Dwelling with Secondary Unit Residential Facility, or a Two-Family Dwelling Residential Facility;
- The activity allows no more than 12 adult paying guests at any time and contains no more than six guest units;
- The activity is located in a facility that is owner occupied;
- The activity is located in a facility on a property with an existing or contingency historic rating of "A", "B", "C", or "D" or is a Landmark according to the City of Oakland Office of Historic Preservation
- The facility includes incidental eating and drinking services for lodgers only that are provided from a single kitchen per bed and breakfast establishment.

Landscaping and building materials are commonly stored outside. This classification also includes certain activities accessory to the above, as specified in Section 17.10.040.

17.10.460 Automobile and Other Light Vehicle Sales and Rental Commercial Activities.

Automobile and Light Truck Sales, Rental, and Delivery Commercial Activities include the sale, rental, leasing and incidental cleaning, servicing, and repair of small passenger vehicles and light trucks that have a gross vehicle weight less than 14,000 pounds such as cars, sports utility vehicles, motorcycles, pickup trucks, vans, light trucks, boats and RVs. This classification also includes the retail or wholesale sale or rental, from the premises, of any type of goods where orders are placed predominantly by telephone or mail order with delivery being provided by motor vehicle. Delivery activities that include use of more than two on-site tow trucks are excluded from this classification and included in the

Warehousing, Distribution and Storage or *Outdoor Storage* classification. This classification also includes certain activities accessory to the above, as specified in Section 17.10.040.

17.10.470 Automobile and Other Light Vehicle Gas Station and Servicing Commercial Activities.

Automobile and Other Light Vehicle Gas Station and Servicing Commercial Activities include the sale, from the premises, of goods and the provision of services which are generally required in the operation and maintenance of automotive vehicles that have a gross vehicle weight less than 14,000 pounds and the fulfilling of motorist needs, including sale of petroleum products together with sale and servicing of tires, batteries, automotive accessories, and replacement items, lubricating services, and performance of minor repairs. This classification does not include vehicle dismantling or salvage and tire re-treading or recapping. This classification also includes certain activities accessory to the above, as specified in Section 17.10.040.

17.10.480 Automobile and Other Light Vehicle Repair and Cleaning Commercial Activities.

Automobile and Other Light Vehicle Repair and Cleaning Commercial Activities include the major repair or painting of motor vehicles that have a gross vehicle weight less than 14,000 pounds, including body work and installation of major accessories, as well as the washing and polishing of motor vehicles. This classification does not include vehicle dismantling or salvage and tire re-treading or recapping. This classification also includes certain activities accessory to the above, as specified in Section 17.10.040.

17.10.485 Taxi and Light Fleet-Based Service Commercial Activities.

Passenger transportation services, local delivery services, and other businesses that rely on fleets of three or more vehicles with a rated capacity of less than 12,500 pounds. This classification includes parking, dispatching, and offices for taxicab and limousine operations, airport shuttles, medical transport, local messenger and document delivery services, janitorial services, and similar businesses. This classification does not include towing operations except for tow truck services where vehicles are taken to off-site locations. This classification also includes certain activities accessory to the above, as specified in Section 17.10.040.

17.10.490 Automotive Fee Parking Commercial Activities.

Automotive Fee Parking Commercial Activities include the parking and storage of motor vehicles on a fee basis, other than the operation of parking facilities by a Civic Activity. This classification also includes certain activities accessory to the above, as specified in Section 17.10.040. (Prior planning code § 2384)

17.10.500 Transport and Warehousing Commercial Activities (does not apply to the CIX-1, CIX-2, IG, or IO zones).

Transport and Warehousing Commercial Activities include the provision of warehousing and storage, freight handling, shipping, and trucking services. This classification does not apply to the CIX-1, CIX-2, IG, or IO zones. This classification also includes certain activities accessory to the above, as specified in Section 17.10.040. (Prior planning code § 2387)

17.10.505 Animal Boarding Commercial Activities.

Animal Boarding Commercial Activities include any structure, land, or combination thereof used, designed, or arranged for the boarding, breeding or care of dogs, cats, pets, or other domestic animals for profit, but exclusive of animals used for agricultural purposes. This classification also includes certain activities accessory to the above, as specified in Section 17.10.040.

17.10.510 Animal Care Commercial Activities.

Animal Care Commercial Activities include the provision of animal care and treatment wherein the overnight care of said animals is prohibited except when necessary in the medical treatment of the animal. This classification also includes certain activities accessory to the above, as specified in Section 17.10.040. (Prior planning code § 2388)

17.10.520 Undertaking Service Commercial Activities.

Undertaking Service Commercial Activities include the provision of undertaking and funeral services involving the care and preparation of the human dead prior to burial. This classification also includes certain activities accessory to the above, as specified in Section 17.10.040. (Prior planning code § 2389)

Part 4

Manufacturing Activity Types

17.10.540 General description of Industrial Activities.

Industrial Activities include the on-site production of goods by methods other than agricultural and extractive in nature the provisions of warehousing and storage, freight handling, shipping, and trucking services; and the storage, transportation, and processing of recyclable or waste materials, and hazardous materials. This classification also includes certain activities accessory to the above, as specified in Section 17.10.040.

17.10.550 Custom Manufacturing Industrial Activities.

Custom Manufacturing Industrial Activities include the small-scale production of artisan and/or custom products. This activity typically includes the production of finished parts or products by hand, involving the use of hand tools and small-scale equipment within enclosed buildings. Custom Manufacturing Industrial Activities do not produce noise, vibration, air pollution, fire hazard or noxious emission that will disturb or endanger neighboring properties. This classification also includes certain activities accessory to the above, as specified in Section 17.10.040. This classification includes but is not limited to the production of:

- Beverages (including alcoholic) and food (excluding the production of highly pungent, odor-causing items, such as vinegar and yeast) with less than ten thousand (10,000) square feet of floor area;
- Cameras and photographic equipment;
- Custom sign-making;
- Custom clothing;
- Custom furniture building and refinishing;
- Professional, scientific, measuring, and controlling instruments;
- Musical instruments;
- Medical, dental, optical and orthopedic instruments and appliances, and similar items;
- Handicraft, art objects, and jewelry

17.10.560 Light Manufacturing Industrial Activities.

Light Manufacturing Industrial Activities include the manufacturing, compounding, processing, assembling, packaging, or treatment of components or products, primarily from previously prepared materials, and typically within enclosed buildings. Light Manufacturing Industrial Activities do not produce noise, vibration, air pollution, fire hazard or noxious emission that will disturb or endanger neighboring properties. This classification also includes certain activities accessory to the above, as specified in Section 17.10.040. This classification includes but is not limited to the production or assembly of:

- Production apparel manufacturing;
- Computer and electronic products;
- Pharmaceutical production;
- Beverages (including alcoholic) and food (excluding the production of highly pungent, odor-causing items, such as vinegar and yeast) with ten thousand (10,000) square feet or more of floor area;
- Electrical equipment, appliances, and components;
- Furniture and related products;
- Pharmaceutical production;
- Sporting and athletic goods

17.10.570 General Manufacturing Industrial Activities.

General Manufacturing Industrial Activities include the manufacturing, compounding, processing, assembling, packaging or treatment of products from extracted, raw, recycled or secondary materials; they may have some or all activities conducted outdoors. This classification excludes all activities under Intermediate Recycling Processing Facilities. The Zoning Administrator or his/her designee may place an activity that otherwise fits this description, but does not produce noise, vibration, air pollution, fire hazard, or noxious emission that will violate standard in Chapter 17.120, or an other federal, State or local standards into the Light Manufacturing Industrial Activities classification. This classification also includes certain activities accessory to the above, as specified in Section 17.10.040. Examples of activities in this classification include but are not limited to the following:

- Chemical manufacturing (except for the chemical products listed under Heavy/High/Impact Manufacturing);
- Glass manufacturing;
- Metal foundries;
- Wood product manufacturing;
- Heavy equipment and manufacturing;
- Paper finishing;
- Pipe production facilities;
- Textile mills;
- Tire retreading and recapping;
- Wood product manufacturing

17.10.580 Heavy/High Impact Manufacturing Industrial Activities.

Heavy/High Impact Manufacturing Industrial Activities include high impact or hazardous manufacturing processes. This classification also includes certain activities accessory to the above, as specified in Section 17.10.040. Examples of activities in this classification include but are not limited to the following:

- Any manufacturing use with large-scale facilities for outdoor oil and gas storage;
- Any biotechnology research, development or production activities involving materials defined by the National Institute of Health as Risk Group 4 or Restricted Agents (commonly known as “bio-safety level 4”);
- Battery manufacturing and storage;
- Lime and gypsum products manufacturing;

Non-ferrous metals production, processing, smelting and refining;
Painting, coating and adhesive manufacturing;
Synthetic dye and pigment manufacturing;
Urethane and other open-cell foam product manufacturing;
Petroleum and coal products manufacturing and refining;
Primary metal smelting;
Vinegar, yeast and other pungent, odor-causing items production;
Leather tanning;
Cement and asphalt manufacturing;
Explosives manufacturing;
Fertilizer and other agricultural chemical manufacturing

17.10.581 Research and Development Industrial Activities.

Research and development activities include scientific research for the design, development, engineering, and testing of high technology electronic, industrial or scientific products in advance of full-scale manufacturing of final products. The only manufacturing uses in this classification consist of the creation of prototype products, plans, or designs for the primary purpose of research, development, or evaluation, rather than sale. This classification also includes certain activities accessory to the above, as specified in Section 17.10.040.

This classification excludes manufacturing uses, wholesale and storage uses, repair and retail sales, except as an accessory use as specified in Section 17.10.040; this classification also excludes the on-site production of products for sale, and biotechnology laboratories approved for National Institute of Health experiments using Risk Group 4 or Restricted Agents (commonly known as “bio-safety level 4”) (Section 17.10.580 Heavy/High Impact Manufacturing Activities).

This classification includes but is not limited to biotechnology firms, “clean-tech”/energy, environmental, electronic research firms, or pharmaceutical research laboratories.

17.10.582 Construction Operations Industrial Activities.

Construction Operations Activities include enclosed and unenclosed facilities and accessory yards for construction and incidental storage activities and/or fabrication activities performed by construction contractors on lots other than construction sites. This classification also includes certain activities accessory to the above, as specified in Section 17.10.040. This classification includes but is not limited to the storage and custom cutting of stone for interior applications, roofing and plumbing component storage and equipment storage for environmental contractors.

17.10.583 Warehousing, Storage, and Distribution Industrial Activities.

This classification includes five (5) sub-classifications as described below. This classification also includes certain activities accessory to the above, as specified in Section 17.10.040:

A. General Warehousing, Storage and Distribution. The warehousing and storage, primarily within enclosed buildings, of commercial goods (other than primary storage of hazardous materials), and the associated distribution activities that occur on-site prior to delivery of goods to wholesale and retail outlets or direct shipment to customers. These activities may also include ancillary truck parking and dispatching; and accessory outdoor storage areas where outdoor storage, not including parking and loading areas, does not occupy more than 30% of the total site area. This classification also includes certain activities accessory to the above, as specified in Section 17.10.040.

B. General Outdoor Storage. Outdoor Storage Activities includes principal outdoor storage of items for more than 24 hours where such storage activities occupy more than 30% of the site

area. The principal storage of goods and materials, equipment or vehicles; as well as the storage of operating equipment for warehouses, such as forklifts, pallets, and racks. This classification excludes outdoor storage uses that are more specifically described in this chapter, including, but not limited to container storage, salvage and junk yards and oil and gas storage. This classification includes but is not limited to construction trailers, outdoor sheds or accessory portable structures, secondary sites for storage of building materials that are not for resale on-site.

C. Self- or Mini Storage. Self- or mini storage consist of storage in small individual spaces, on average of 400 square feet or less that are exclusively and directly accessible to a specific tenant, offered on a monthly or other limited basis, and available to the general public.

D. Container Storage. Container Storage includes the storage, repair, and “pre-tripping” of shipping containers, including refrigerated shipping containers, on open lots. Includes minor repair and cleaning of containers, and may include the rehabilitation of containers for other uses.

E. Automotive Salvage/Junk Yards. Storage and dismantling of vehicles and equipment for sale of parts.

17.10.584 Regional Freight Transportation Industrial Activities.

Regional Freight Transportation Activities include the provision of freight handling and shipping services by water and rail. They include the inter- and intra-regional transportation of goods. This classification also includes certain activities accessory to the above, as specified in Section 17.10.040.

A. Seaport. The accommodation of freight service and operations by ship. This classification includes piers, wharves & docks, marine terminals, container and break-bulk storage areas (where container storage is an accessory, rather than principal activity), related inter-modal facilities, and support services such as port and harbor operations and navigational services.

B. Rail yard. Accommodation of freight service and operations by rail.

17.10.585 Trucking and Truck-Related Industrial Activities.

Trucking and Truck-Related Activities include the provision of freight handling and shipping services by trucks as well as parking, maintenance, and services for trucks and other heavy vehicles and equipment. This classification also includes certain activities accessory to the above, as specified in Section 17.10.040.

A. Freight/Truck Terminal. The accommodation of local or worldwide freight by truck. This classification includes facilities used primarily for transfer, breaking-down, and/or consolidation of freight, as well as parking and dispatch of trucks.

B. Truck Yard. Parking, dispatch, refueling, and incidental repair of trucks, buses, or other fleets of heavy vehicles, where there is no on-site freight storage or transfer. This classification includes corporation yards operated by public and private towing operations. This classification does not include local courier and delivery services; towing operations as an accessory activity to Automotive and Other Light Vehicle Repair and Cleaning (Section 17.10.480)

C. Truck Weigh Stations. The weighing of commercial trucks in truck weighing facilities.

D. Truck and Other Heavy Vehicle Sales, Rental, and Leasing. Sales, rental, and leasing of medium and heavy trucks, truck tractors, construction or agricultural equipment, buses, commercial boats, heavy equipment, and other commercial vehicles that have gross vehicle weight ratings greater than

14,000 pounds, including the sale, installation, accessory repair and servicing of related equipment and parts. This classification does not include vehicle dismantling or salvage and tire re-treading or recapping (See Salvage/Junk Yards, Section 17.10.620).

E. Truck and Other Heavy Vehicle Service, Repair, and Refueling. Repair, fueling, and other servicing of medium and heavy trucks, truck tractors, construction or agricultural equipment, buses, boats, heavy equipment, and similar vehicles that generally have gross vehicle weights greater than 14,000 pounds, including the sale, installation, and servicing of related equipment and parts. This classification includes fueling stations, repair shops, body and fender shops, wheel and brake shops, engine repair and rebuilding, welding, major painting service, tire sales and installation, and upholstery shops for trucks and other heavy vehicles. This classification does not include vehicle dismantling or salvage (See Salvage/Junk Yards, Section 17.10.610E).

17.10.586 Recycling and Waste-Related Industrial Activities

Recycling and Waste-Related Activities include recycling collection, intermediate processing, and other activities related to the storage and processing of used and waste materials. This classification also includes certain activities accessory to the above, as specified in Section 17.10.040.

A. Satellite Recycling Collection Centers. An activity accepting recyclable non-hazardous materials directly from the public by donation, redemption, or purchase at facilities less than five hundred (500) square feet in area that generally do not use power-driven processing equipment.

Satellite collection centers may include mobile recycling units, bulk reverse vending machines, kiosk type units, and/or unattended containers placed for the donation of recyclable materials. These facilities are generally located in, or associated with supermarkets and shopping centers. Most, though not all, satellite collection centers are set up pursuant to requirements of the California Beverage Container Recycling and Litter Reduction Act of 1986, which requires establishment of such centers in all "Convenience Zones" (CZ) in California, defined as the area within ½ mile of all supermarkets, to collect beverage containers made from materials such as aluminum, glass, plastic, and bimetal for recycling.

B. Primary Recycling Collection Centers. An activity accepting recyclable non-hazardous materials by donation, redemption, or purchase at facilities occupying an area of more than five hundred (500) square feet that are not operated incidental to a host use and that may have a permanent building. Primary collection centers typically use power-driven equipment to sort and condense material for shipment to an end user. Primary collection centers may have a combination of outdoor processing and storage.

17.10.587 Hazardous Materials Production, Storage, and Waste Management Industrial Activities.

A. Small Scale Transfer and Storage Hazardous Waste Management Activities. Small Scale Transfer and Storage Hazardous Waste Management Activities include treatment facilities with waste streams small enough to be exempt from manifest requirements as described in California Health and Safety Code, Division 20, Chapter 6.5, Article 6. Wastes from any given generator must not exceed a total volume of five gallons or a total weight of fifty (50) pounds. This classification also includes certain activities accessory to the above, as specified in Section 17.10.040. (Ord. 12072 § 5 (part), 1998)

B. Industrial Transfer/Storage Hazardous Waste Management Activities. Industrial Transfer/Storage Hazardous Waste Management Activities include any treatment facility which is not a Small Scale Transfer and Storage Facility or Residual Repository. This classification also includes certain activities accessory to the above, as specified in Section 17.10.040. (Ord. 12072 § 5 (part), 1998)

C. Residuals Repositories Hazardous Waste Management Activities. Residuals Repositories Hazardous Waste Management Activities include treatment facilities for collection of residual wastes defined as residues from other treatment facilities after treatment, and other irreducible stabilized or detoxified hazardous wastes. This classification also includes certain activities accessory to the above, as specified in Section 17.10.040. (Ord. 12072 § 5 (part), 1998)

D. Oil and Gas Storage. Oil and Gas Storage includes tank farms and outdoor facilities for the bulk storage and handling of fuel and lubricating oils, gasoline and natural gas. This classification also includes certain activities accessory to the above, as specified in Section 17.10.040.

Part 5 Agricultural and Extractive Activity Types

17.10.590 General description of Agricultural and Extractive Activities.

Agricultural and Extractive Activities include the on-site production of plant and animal products by agricultural methods, and of mineral products by extractive methods. This classification also includes certain activities accessory to the above, as specified in Section 17.10.040. (Prior planning code § 2450)

17.10.600 Plant Nursery Agricultural Activities.

Plant Nursery Agricultural Activities include the cultivation for sale of horticultural specialties such as flowers, shrubs, and trees, intended for ornamental or landscaping purposes. This classification also includes certain activities accessory to the above, as specified in Section 17.10.040. (Prior planning code § 2460)

17.10.610 Crop and Animal Raising Agricultural Activities.

Crop and Animal Raising Agricultural Activities include the raising of tree, vine, field, forage, and other plant crops, intended to provide food or fibers, as well as keeping, grazing, or feeding of animals for animal products, animal increase, or value increase. This classification also includes certain activities accessory to the above, as specified in Section 17.10.040. (Prior planning code § 2461)

17.10.620 Mining and Quarrying Extractive Activities.

Mining and Quarrying Extractive Activities include the extraction of metallic and nonmetallic minerals, including sand and gravel pit operations. They include surface mining operations as defined by Section 2735 of the Public Resources Code of the state of California. This classification also includes certain activities accessory to the above, as specified in Section 17.10.040. (Prior planning code § 2462)
