

Effective January 3, 2011, the City of Oakland will be adding \$3.00 to all parking citations to fund a surcharge imposed by the State of California under the 2010 State Budget Act.

The \$3.00 surcharge will fund the State's Trial Court Trust Fund, and will not pay for any City of Oakland programs or services.

Persons who receive parking citations will have to pay a surcharge of \$3.00 in addition to the current surcharge of \$10.00. The existing surcharge is also used to fund State and County programs.
