

INTRODUCED BY COUNCILMEMBER _____

CITY ATTORNEY

ORDINANCE NO. _____ C.M.S.

AN ORDINANCE AMENDING OAKLAND MUNICIPAL CODE CHAPTER 3.13, THE LIMITED PUBLIC FINANCING ACT OF THE CITY OF OAKLAND, ORIGINALLY ADOPTED DECEMBER 14, 1999

WHEREAS, the Limited Public Financing Act Of The City Of Oakland (hereinafter the "Act") was passed by the City Council on December 14, 1999 and became effective on January 1, 2001; and

WHEREAS, the City Council duly considered and adopted at its regular meeting of November 28, 2000, a report from the Oakland Public Ethics Commission proposing various specific amendments to the Act and administrative regulations thereto; and

WHEREAS, the City Council intends for such amendments to the Act to apply to the District Six special election to be held on April 17, 2001;

NOW THEREFORE BE IT ORDAINED, that Oakland Municipal Code Chapter 3.13 is amended to read as follows:

Article I. Findings and Purpose

3.13.010 Title

This Act shall be known as the "Limited Public Financing Act of the City of Oakland."

3.13.020 Findings and Declarations

The findings of this Act are as follows:

A. The financial strength of certain individuals or organizations should not enable them to exercise a disproportionate or controlling influence on the election of candidates.

B. The rapidly increasing costs of political campaigns have forced many candidates to raise larger and larger percentages of money from interest groups with a specific financial stake in matters under consideration by city government. This has caused the public perception that votes are being improperly influenced by monetary contributions.

C. High campaign costs are forcing officeholders to spend more time on fundraising and less time on the public's business. The constant pressure to raise contributions is distracting officeholders from urgent governmental matters.

3.13.030 Purpose of this Act

The purpose of this act is to accomplish the objectives stated in Oakland's Campaign Reform Act as follows:

- A. To ensure that all individuals and interest groups in our city have a fair and equal opportunity to participate in elective and governmental processes.
- B. To reduce the influence of large contributors with a specific financial stake in matters under consideration by the City of Oakland, and to counter the perception that decisions are influenced more by the size of contributions than by the best interests of the people of Oakland.
- C. To reduce the pressure on candidates to raise large campaign war chests for defensive purposes, beyond the amount necessary to communicate reasonably with voters.
- D. To encourage competition for elective office.
- E. To allow candidates and office holders to spend a smaller proportion of their time on fundraising and a greater proportion of their time dealing with issues of importance to their constituents and the community.
- F. To ensure that serious candidates are able to raise enough money to communicate their views and positions adequately to the public, thereby promoting public discussion of important issues involved in political campaigns.
- G. To help preserve public trust in governmental and electoral institutions.

Article II. Definitions

3.13.040 Interpretation of this Act

Unless the term is specifically defined in this Act or the contrary is stated or clearly appears from the text, the definitions set forth in Chapter 3.12 of the Oakland Municipal Code and in Government Code sections 81000 et seq. as amended govern the interpretation of this Act.

Contributions shall be "matchable contributions" for purposes of this Act only if they are: a) the first \$100 or less of a contribution received and deposited by the candidate for the office being sought from each individual contributor to the candidate or the candidate's controlled committee; b) made in the form of a written instrument containing the name of the donor and the name of the payee and drawn from the account of the donor; c) made by donors which reside or whose primary place of doing business is located within the City of Oakland and which residential or business address appears on the written instrument used to make the contribution; and d) received no more than one-hundred eighty (180) days before the date of the election.

Article III. Election Campaign Fund

3.13.050 Election Campaign Fund

There is hereby established an account within a special revenue fund of the City of Oakland to be known as the "Election Campaign Fund."

3.13.060 Appropriation of Funds

A. The Oakland City Council shall appropriate to the Election Campaign Fund, under the City's current two year budget cycle, an amount sufficient to fund all candidates for City office in any municipal nominating election eligible to receive limited matching funds from the Election Campaign Fund.

B. The Oakland Public Ethics Commission shall provide in the form and at the time directed by the Mayor and City Manager a written estimate of the amount necessary to be appropriated for any two-year budget cycle according to the provisions of this Act for all eligible candidates. The amount of funds to be allocated to the Election Campaign Fund shall be based on a consideration of anticipated campaign activity, anticipated administrative costs, and existing unspent funds within the account. The amount of funds to be allocated to the Election Campaign Fund shall not exceed \$460,000 for any two-year budget cycle, except that the allocation may exceed \$460,000 to reflect changes in the consumer price index. ***The Public Ethics Commission may limit the allocation of funds for any primary election to assure that sufficient funds remain available for the general election.*** [Status of this existing language depends on whether the matching fund program exists in its current form for any run-off election; exists as a lump-sum grant; or is completely abolished during the run-off election. See options presented at Section 3.13.110].

C. The Election Campaign Fund shall be established as an interest bearing account. Unspent funds in the Election Campaign Fund at the end of a two year budget cycle shall remain in the Fund and accrue for disbursement to candidates eligible for matching funds in future elections and for administrative costs pursuant to subsection 3.13.060(d) below. In no event shall additional allocations to the Fund be made to cause the available balance in the Fund to exceed five hundred thousand dollars (\$500,000), to include allocations made to the Public Ethics Commission pursuant to subsection 3.13.060(d) below.

D. Up to 7.5% of the amount allocated to the Election Campaign Fund pursuant to subsections 3.13.060 (a) and (b) may be utilized by the Public Ethics Commission to cover the anticipated cost of administering the provisions of this Act. The Public Ethics Commission shall make a sufficient proportion of such funds available to the City Auditor to conduct compliance reviews as provided in section 3.13.100.

Article IV. Eligibility for Matching Funds

3.13.070 Application and Withdrawal Procedures

Any candidate rescinding his or her acceptance of the expenditure ceilings shall not be eligible for public matching funds. In the event expenditures ceilings are lifted pursuant to Oakland Municipal Code section 3.12.220, a candidate who accepted expenditure ceilings shall be permitted to continue receiving matching public funds but shall no longer be subject to expenditure ceilings.
