**RE: An Ordinance For Public Access To Records Of Nonprofit Organizations That Perform Governmental Functions On City Property**

Attached is a proposed ordinance from Oakland City Attorney John Russo. The proposed ordinance seeks to require nonprofit organizations that operate or perform municipal governmental functions on City property to provide certain kinds of records to members of the public upon request.

This item was submitted to Commission staff on March 24, 2005. Time did not permit Commission staff to prepare an analysis of the proposal before the close of the agenda package deadline for the April 4, 2005, meeting.

Commission staff recommends that the Commission receive the City Attorney's proposal and presentation, take public comment, and schedule the matter for further consideration at the Commission's May 2, 2005, meeting.

Respectfully submitted,

Daniel D. Purnell  
Executive Director
